Dear Mr. Jones,

As per your letter of September 16, 2003, Bluegrass Telecom, LLC, is submitting the requested response concerning county wide calling.

Bluegrass Telecom, LLC (BT) is a long distance reseller doing business in Tennessee as North Central Telephone Long Distance (NCTLD). BT d/b/a NCTLD is a long distance reseller originating long distance telephone calls only in the local exchange territory of North Central Telephone Cooperative (NCTC). The only long distance calls delivered to BT by NCTC are calls that terminate outside the county in which it originated and thus BT does not bill subscribers for any calls originating and terminating in the same county.

Should you have any questions about this response, please call Chuck Willis at (270) 769-0339.

Sincerely,

Charles S. Willis  
VP – Bluegrass Telecom
